Work Experience

Tech Consultant - Target Corporation, South Windsor, CT *January 2023 - Present*

- Provided technical advice and support to guests, resulting in guest satisfaction
- Demonstrated a deep understanding of current and new electronic devices and accessories, such as smartphones, tablets, and home theatre systems, to assist guests with their purchases to ensure maximum satisfaction
- Collaborated with cross-functional teams to resolve guest issues and ensure a positive guest experience
- Maintained a clean and organized work area, ensuring merchandise was stocked correctly and displayed

Package Handler - FedEx Ground, South Windsor, CT *June 2021 - November 2022*

- Operated automated material handling equipment, including conveyor systems, to process packages quickly and efficiently
- Trained new employees on equipment operation and safety procedures
- Utilized handheld scanners and computer systems to manage package tracking and inventory control

Development Experience and Projects

HabiTrack (www.HabiTrack.org) - Full Stack Developer

- Developed and deployed a habit-tracking web application using Java and Spring Boot
- Implemented features such as a user dashboard, habit creation, setting goals, and push notifications

Skills: Java, Spring Boot, HTML, CSS, JavaScript, Thymeleaf, MVC, MySQL, Git

GymJourney (In Development) - Full Stack Developer

- Developing a web application that allows users to track their weight and progress using their starting weight, current weight, and goal weight, and displaying their progress toward their goal
- Implemented features such as a user dashboard, a weight page to see all their weight data, setting and updating goals, and tracking their workouts with exercises, the amount of weight the user did, the sets, and repetitions they were able to do
- Additionally, a mobile app for iOS and Android is in development to allow users to track and follow their Gym Journey easier than ever

Skills: Java, Spring Boot, HTML, CSS, JavaScript, Thymeleaf, MVC, MySQL, Git, React Native
